PRINCIPAL'S MESSAGE

At our April Celebration Assembly, Mr. Burgess from FSD Robotics joined us to be thanked for his generous donation of Lego Robotics kits, ipads and programming Mats (see page 5 for more details).

May will be an exciting month. Our school held our Track and Field event on May 7th. The rain date is May 8th.

We will be holding a STEAM Family night on May 8, 2019 from 5:30-7:30. See page 4 for more details.

Our Grade 3 and 6 students will also begin provincial assessment (EQAO) as May ends. More information will be coming home with students in Grade 3 and 6.

Our Fun Fair will be on May 31, 2019. We have lots of new and exciting things happening for this year's event. Mark the date and please plan to join us.

SCHOOL COUNCIL

Our next Council meeting will be on **Tuesday, May 21, 2019 @ 6:30** in the Learning Commons. At the May meeting, we are hoping to set the direction for the School Council and start to plan our calendar for next year. All parents are welcome to attend.

Fun Fair Planning Meeting Julie Mulligan has stepped forward to help organize our annual **Fun Fair**. We have selected Friday, May 31, 2019 as the date. If you are interested please email Julie Milligan at jvottero17@hotmail.com.

Mr. Campbell thanks Mr. Burgess from FSD Robotics

The weather is starting to get warmer but summer is not here yet. Please review the Dress Code expectations on page four with your child. We appreciate your assistance, as work to keep the focus on the learning. Thank you for continuing to support the school and your child's learning.

Check the calendar for many more events.

Friday, June 14th - District Track and Field Day Rain Date

More details will be sent home as the dates approach.

DRESS CODE REMINDER

With the warmer weather upon us, the topic of appropriate clothing has been raised. We have gone over the dress code with all of our students and continue to remind them of the guidelines.

T-shirts should be free of inappropriate language or pictures. No see through or loose mesh tops.

Tops need to be appropriate and be free from offensive slogans or images. Shirts must cover the mid-section/abdomen during normal movement.

Undergarments should not be exposed.

Make sure shorts and skirts are an appropriate length to wear to school.

Hats and sunglasses are appropriate for recess time but are not to be worn inside the school.

Please take the time to review these guidelines with your child(ren).

Our hope is to keep the focus on learning. We appreciate your support in maintaining our school dress code.

ECO-CLUB NEWS

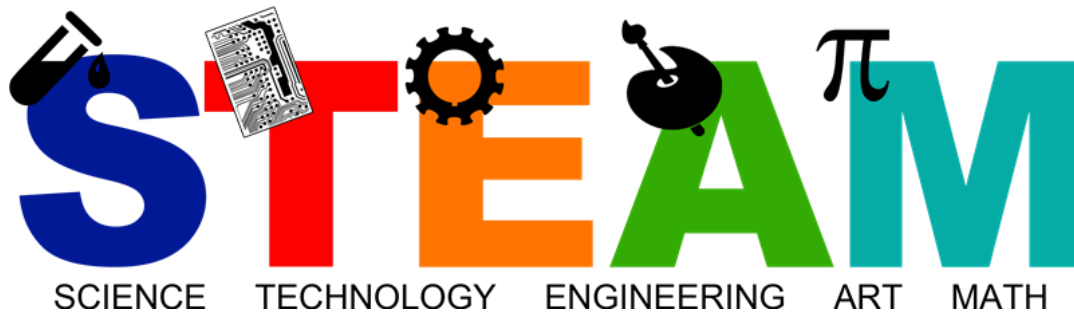

In honour of Earth Day, students and staff participated in the Town of Pelham's Pitch-In Pelham Community Clean-Up. Students in Grades K-6 worked to clean the school yard while Grade 7-8 students worked to clean up the areas along Port Robinson Road. Thanks to all who worked together to keep our school and Town clean and green!

Students and staff took part in the Plastic Grab Challenge to raise environmental awareness. The program that promoted reducing how many bags are used and wasted in our community. We collected bags for recycling between April 15-26 and ensured that they were reused and recycled.

Please join us for Glynn A. Green's FAMILY NIGHT

This event has been supported by our School Council through the Ministry of Education Parent's Reaching Out (PRO) Grant.

Please join us as we discover the fun of **STEAM** with **FREE** hands on activities for the whole family!

SUMMER SCHOOL PROGRAMS

The DSBN offers a variety of summer programs for students. Reach Ahead Credits, Super in 7, Gr8 in 8, and High School Head Start programs being offered through Adult and Community Education Services. Information for all summer programs can be found on our website at www.dsbn.org/summer. A letter was sent home to all eligible students and the link and forms are being included on the weekly communication. Do not hesitate to contact the school if you have any questions.

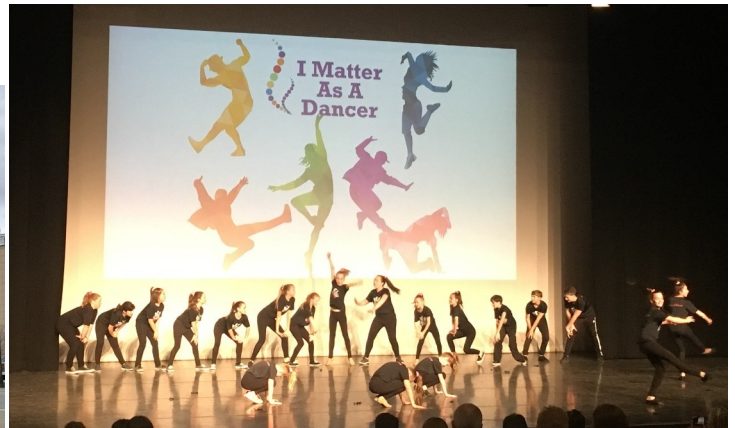

LEGO ROBOTICS DONATION

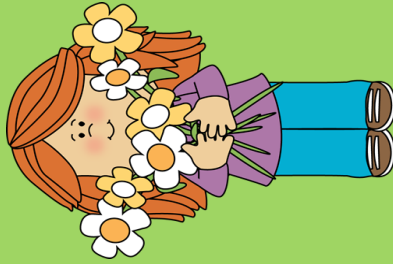

A special thank you to FSD Robotics and the Burgess Family for a generous donation of 10 Lego Robotics Kits with ipads. We also received large programming mats to work with as well. The robotics club can now expand to allow even more students to access the kits and learn more about the world of robotics and programming.

DANCE TEAM

On April 25th, our Dance team travelled to the Scotiabank Convention Centre to preform at the DSBN Dance Showcase. We want to thank Mrs. Furtney and Mrs. Fairchild for helping to organize the team. The students put in countless hours before school and during their breaks to prepare for the event. The hard work showed in their performance. Congratulations to the entire team.
