  - New bussing protocols and procedures for students to follow.

## Keeping our School Safe - Ryan

Discussed the new Keeping our schools Safe together Document that the board released.

## Timetabling - Todd

Todd took us through the new timetable creation and the rationale for creating it with 10 periods.

## September Staggered Opening - Todd

Discussed how well the staggered opening went with students starting during the first week of school.

## Outdoor Class Placements - Todd

- Went over the Outdoor class placement sections where students will be playing during outdoor time. Groups were created with having the younger students closer to the school to help alleviate the distance for them in having to walk into the building.

## PA Day overview - Todd

Discussed how the first PA Days went with teachers in the building prepping for student's arrival and setting up their classrooms as well as going through the new COVID training.

## Covid 19 School and Child Care Screening tool - Todd

Todd went through the Screening tool and how to Properly complete the site form.

#### New Business

- Insurance - Student insurance will be purchased.
- Fundraising Sub-Committee - As of now there will be no fundraising but will be open to the topic next meeting to discuss. We will navigate where we are and the need as well as our current situation.
- Speakers and Topics for Future meetings - A walkthrough of D2L and Google Classroom will be beneficial for parents to see how to use the programs. As well as a presentation on the new math curriculum.
