Mr. T Halliday, Principal  
Mrs. K. Phillips Vice-Principal

Dear Parents and Guardians,

The Parent Council (SAC Committee) invites you to join and be part of shaping your children's and our school's future.

As parents we can work together with the school to ensure that Glynn A Green continues to be a representation of high academic achievements; a safe, friendly and welcoming environment for our students and a respectful environment that nurtures our future adults to be contributing, responsible members of our community.

Whether you are interested in joining SAC to participate in every meeting, or just curious to find out what is happening in our school, or wish to lend your attributes to our sub committees or clubs in the school, you are always welcome to attend any of our meetings anytime.

We hold about 6 meetings a year in our Learning Commons, targeting every 6 weeks, on Tuesday evenings at 630 pm. Child care is available at all times. The meeting generally last an hour to an hour and half at most.

We all have busy schedules and commitments but being part of SAC allows everyone to have a great impact on our children's future and their learning environment. We encourage everyone to get involved either by joining SAC, volunteering in the school, helping with fundraising, or volunteering to assist with our annual community event: The fun fair. You will be truly impressed by the difference that only you can make, the friends you will meet and the fun you will have.

You are welcome to contact us anytime if you have any questions at all:
